

We have NEW Referee Game Reports! AGAIN!!!

NWOYSL is trying another new game report again this season. We hope they will be easier for you, and the office staff, and the referees.

Everyone will receive **10 Blue sheets double sided, perforated game reports** in your packets. We listened to feedback from our last reports, and many of you still wanted a part of the report with the scores. So we have a perforated section that the referee will hand back to you after the game. Also we have added coaches' initials next to the score; A place for the referee's names, and all important game information on the same side of the report.

You will need to fill out the following information on the Referee Reports:

On the Front:

1. Date
2. Time
3. Field
4. Game #
5. Gender of Division
6. Age Group
7. Game Number
8. Home Team
9. Away Team
10. List any Guest Players (remember to review our rules for guest players)
11. Indicate if Club Coach and Name (if they are coaching this game)

Also on the front: (The Perforated Section) the next part is what the referee will hand back to you after the game.

- Date
- Time
- Field #
- Game Number
- Gender of Division
- Age Group
- Home Team and then the Score
- Away Team and then the Score
- Referee Names - refs should fill this part out

Also on the front of the form: the referee will record any yellow and or red cards issued during that match. Space will be provided for addition comments from the referee to our office on the **BACK** of the form.

Each team, **HOME and AWAY**, will then attach a **GAME Roster** to the game report. The game reports will be handed over to the referees. The Home Team will still provide a postage paid envelope to the referee. You will have enough white envelopes in your packet for every home game.

Each team has received a Game Roster with their player cards in the beginning of the season. Each team will need to make copies- one per game. Players do not need to sign this roster but jersey numbers are a must. If a Referee Report is mailed in without a Roster Print out, you will face disciplinary actions and fines per the NWOYSL Executive Board.

If you add a player, drop a player or change your roster in anyway during the season - we will issue you new Game Rosters. You then will have to make copies of the new rosters and attach to your game reports.
